

Father, I ask that every word that was spoken today be sealed for time and eternity. I ask that these words be recorded in the Books of Heaven. I ask that the angel armies be released on my behalf so that I see the blessings of the Lord that make me rich with every spiritual gift in heavenly places that is legally mine by right of my eternal covenant with Almighty God. I seal this work in the Blood of the Lamb, by the power of the Holy Spirit and by the Word of God. I declare, according to Isaiah 55:11, that every word in agreement with the will of the Father shall not return empty without accomplishing what He desires, and without succeeding in the matter for which it was sent. I declare that the Holy Spirit's breath—zoe life—is upon these prayers. I declare that the enemy shall not release against my life or my family any curses, counter-curses, strategies, or retaliations against our health, marriages, children, grandchildren, finances, ministry, destiny, or well-being in Jesus' name.
